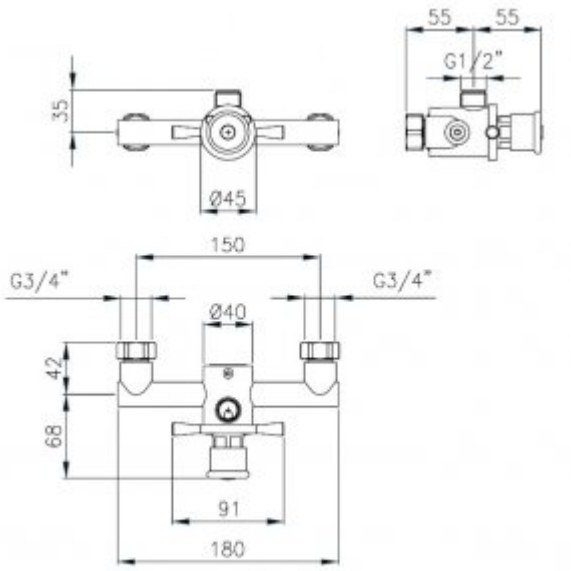
Economical	Yes
Warranty	15 years



A self-closing mixer is a product that can be used in showers in fitness clubs, swimming pools, schools and other public places. The faucet is equipped with levers that facilitate operation, e.g. for the disabled or for children. In addition, the mixer has two 3/4 "connections for hot and cold water. The body is made of chrome-plated brass and has a 15-year warranty.
