MAKOINSTAL
Infrastruktura sanitarna

Product code:
2578

Medical battery 2578

• Hand mixer in the form of a lever
• Extended lever to control the battery through any part of the body
• The body is made of chrome-plated brass
• Water flow time adjustment
• Water pressure reduction
• High resistance to vandalism due to the highest quality materials
• Exceptional durability and reliability
• Italian product
• Simple operation
• Easy assembly
• 2 years manufacturer&HASH39;s warranty excluding consumable parts
• PZH certificate, CE declaration

Option	With mixer
Connector	2 x 3/8"
Mixer type	Manual
Design	Vandal resistant - chrome plated brass
Start	Using a lever
Spout	Equipped with a filter
Contains	Mounting kit for the wash basin

Medical faucet for hot and cold water. Used in outpatient clinics, doctor&HASH39;s offices and hospitals. Thanks to the use of a long lever that facilitates starting and regulating the water temperature, it works great as a surgical bathroom or gastronomy equipment.
