

Time battery 9003P

- The body is made of chrome-plated brass
- Water flow time adjustment by means of the regulating hole
- Water flow reduction by means of a water flow reducer and a regulating cup
- High resistance to vandalism
- Exceptional durability and reliability
- The product is entirely made in the European Union
- Simple operation
- Easy to assemble
- PZH certificate, CE declaration

Option	For mixed water
Connector	G1/2
Design	Chrome-plated brass
Water time flow	Adjustable from 10 seconds \pm 3 second
Start	By means of the button
Water pressure reducer	up to 6l / min.
Water temperature	5-65°C
Water pressure	Min 0,5 bar - Max 6 bar (Recommended 2-4 bar)
Contains	Battery, mounting kit for the washbasin

Wall-mounted washbasin timer with one G1 / 2 connection for cold or pre-mixed water. The body of the faucet is made of solid brass covered with a layer of chrome. The built-in spout is equipped with a standard strainer to regulate the water stream.

Standard water flow time is approx. 10 seconds \pm 3 seconds (at 3 bar water pressure). The amount of water consumed by the flow of water is up to 6 l / m. The minimum connection pressure is 0.5 bar, the maximum is 6 bar, the recommended connection pressure should be 2-4 bar

What's more, the 9003P basin mixer has elements that regulate the water flow, such as:

- a cup regulating the flow of water, located in the head;
- water flow regulator - included with the faucet, requires manual installation in the connection area;
- the water flow regulating hole in the head. The flow time can be changed with the enclosed allen key.

The 9003P battery is available in two variants:

- 9003P universal variant, equipped with one 1/2 connection and a cup, a water flow reducer and an adjustment hole;
- 9003PAB variant with an integrated anti-block system, which includes a cup and a flow reducer.

The option to adjust the water flow time is not available. Importantly, each 9003P battery comes with a mounting kit and the whole is certified by the Polish Institute of Hygiene, CE Declaration of Conformity and the National Declaration of Performance.
