White Jumbo toilet paper dispenser ABS Model B7401

The **B7401 Jumbo toilet paper dispenser** is a reliable solution designed for high-traffic public restrooms. The use of **high-quality ABS plastic** in a classic white finish provides the housing with **enhanced impact resistance**, protecting it against scratches and fading even after years of intensive use. This **wall-mounted paper dispenser** features a modern, minimalist design, making it a perfect fit for the hygiene standards of office buildings, catering establishments, and medical facilities. High capacity and operational economy

The device, measuring **278 x 288 x 138 mm**, is designed to accommodate standard Jumbo-type paper rolls, significantly reducing the frequency of refills. This solution directly translates into **time savings for cleaning staff** and a real reduction in facility maintenance costs. The solid, **key-lockable housing** effectively protects the paper against dirt, moisture, and unauthorized access, guaranteeing the highest level of security and hygiene.

Comprehensive equipment for white barrier-free bathrooms

The B7401 model is a key element of professional public restroom equipment. To ensure full visual consistency, we invite you to explore our range of [toilet paper dispensers](#) and systemic [white ABS soap dispensers](#). In restrooms adapted for people with disabilities, certified [white 32 mm grab bars](#) or their [25 mm](#) variant are the perfect addition, creating a safe and functional sanitary space.
