Functional and elegant, 5-liter basket is made of chromed steel, painted in stripes. The black basket measures 200 x 290 mm. Inside, a removable bucket allows you to replace the garbage bags and makes it easier to keep clean.

The basket can be opened thanks to the convenient foot mechanism. It allows you to open a 5-liter basket without using your hands. The lid of the black waste container ensures safe storage of waste and reduces the emission of unpleasant odors. What's more, the offered basket will be perfect both at home and in offices, restaurants, hotels, offices or schools.
