Close	Key lock
Dimensions	100 x 320 x 112 mm
Window	Yes
Installation	Wall Mounting
Plastic soap container	Yes
Included	Mounting kit, key

Horizontal liquid soap dispenser in a stainless steel housing. In the middle of the dispenser there is a plastic soap cartridge with a capacity of 1 L, which prevents damage to the container housing - refilling is done by adding soap from the collecting container. Matt surface finish (brushed steel). The infusion is opened by a special key attached to it. It does not require expensive soap refills. On the front of the dispenser there is a window for viewing the amount of soap.
