<b>Dimensions</b>	101 x 274 x 113
<b>Window</b>	Yes
<b>Installation</b>	Wall Mounting
<b>Plastic soap container</b>	Yes
<b>Included</b>	Mounting kit, key

Horizontal liquid soap dispenser in a stainless steel housing. In the middle of the dispenser there is a plastic soap cartridge with a capacity of 0,5 L, which prevents damage to the container housing - refilling is done by adding soap from the collecting container. Matt surface finish (brushed steel). The infusion is opened by a special key attached to it. It does not require expensive soap refills. On the front of the dispenser there is a window for viewing the amount of soap.
