Left-hand shower handrail for people with disabilities 760x610x700mm long, general-purpose, made of polished or matt stainless steel 32 mm diameter. We use this type of handrail in the shower area. The handles are equipped with masking rosettes with a click system, which allows mounting the masking rosette without the use of mounting glue.

Each handrail comes with a mounting kit (including, among others, screws, washers, wall plugs, plugs), as well as a user manual and a warranty card. The offered handrails are certified by the Polish Institute of Hygiene, CE Declaration of Conformity, and the National Declaration of Performance
