Water pressure reductor	up to 8l / min.

Column shower set made of AISI 316 stainless steel, adapted for floor mounting. The shower set 9220 has one 1/2" connection for cold or mixed water, with a standard water flow time of about 30-50 seconds \pm 1 second. The flow system is enriched with a safety device that automatically shuts off the water flow after 15 seconds at a pressure of 3 bar.
