Tilting shower chair with upports KP5C

- Screw covers
- Mounting kit included
- Silicone pads to eliminate unevenness
- Easy to clean

Tilting shower chair with supports for disabled people, attached to the wall, made of 25 mm diameter carbon steel tube, powder-coated white. The top layer of the chair is made of 3 rings made of polyvinyl chloride. Thanks to which it is warmer to the touch. We use this type of seat in the shower area.
