The paper towel dispenser with automatic paper cutting is a modern solution that ensures convenience and hygiene in high-traffic areas such as offices, public restrooms, and service facilities. Made of durable ABS, the dispenser is resistant to mechanical damage, ensuring its long-lasting reliability.

The dispenser measures 300x237x410 mm and is compatible with paper rolls up to 195 mm in width and 190 mm in diameter. Additionally, the device is lockable, providing security and protection against unauthorized access. Its universal design ensures it fits seamlessly into any interior aesthetic while offering ease of use. Combining functionality with cost-efficiency, this dispenser is the ideal choice for environments where both performance and user comfort are essential.
