

## Stainless steel Jumbo toilet paper dispenser AISI 304 C7402

- Made of AISI 304 stainless steel
- Two variants: C7402C polished , C7402S brushed
- Classic shapes
- Vandal-proof design
- High resistance to corrosion and rust
- Polished edges
- Can be lock with a key
- For standard rolls of mini-jumbo toilet paper (250 mm diameter)
- Inspection hole for previewing the amount of remaining paper

Housing	Stainless steel AISI 304
Finishing	Polished or brushed
Design	Vandal-proof execution
Lock	the key
Dimensions	121 x 206 x 160 mm
Window	Yes
Capacity	1 roll up to 250 mm in diameter
Includes	Mounting kit included, key included

## Stainless steel Jumbo toilet paper dispenser Model C7402

The **C7402 Jumbo toilet paper dispenser** is a general-purpose solution designed for demanding sanitary spaces. The device is made of high-quality **AISI 304 (1.4301) stainless steel**, a universal and extremely durable material in the sanitary industry. This material is characterized by exceptional **resistance to corrosion, rust, and most oxidizing acids**, guaranteeing product longevity even in high-humidity conditions.

The product is available in two elegant surface finishes, allowing for a perfect match with the interior aesthetics:

- **C7402C** – polished variant (gloss);
- **C7402S** – brushed variant (satin).

Vandal resistance and high functionality

The dispenser structure, with dimensions of **260 x 265 x 130 mm**, is highly resistant to vandalism, making it an ideal choice for high-traffic public restrooms. The drum capacity is adapted for **one paper roll with a diameter of up to 250 mm**, significantly reducing the frequency of refilling. For full security, the unit is **key-lockable**, and a practical inspection window in the housing allows for a quick check of the paper level without opening the device.

Professional stainless steel restroom equipment

Model C7402 is a core component of durable public restroom equipment. To create a consistent set, we recommend pairing the dispenser with [stainless steel paper towel dispensers](#) and [soap dispensers](#). In facilities requiring increased sanitary standards, [sanitizer dispensers](#) are a perfect addition. For complete safety in barrier-free restrooms, complement the system with [stainless steel grab bars](#) from the MAKOLUX series.
