A self-closing tap with a mixer and a movable spout is a universal product that is perfect for public use. Thanks to the use of a movable spout, the 9092L mixer can be used with two-compartment sinks. Moreover, the mixer is equipped with levers that facilitate operation, e.g. for the disabled or for children. The fittings has two 3/4 "connections for hot and cold water. The body is made of chrome-plated brass and has a 15-year warranty.
