

Urinal partition SUSS

- Smooth edges to prevent accidental catching and cuts
- Made of AISI 304 stainless steel, resistant to corrosion, rust and some acids
- Can be installed in rooms exposed to moisture
- Mounting kit included
- Vandal-resistant finish
- Easy to clean

Material	AISI 304 stainless steel
Finish	Matt
Dimensions	700x40x350 mm
Tube diameter	Ø 25 mm
The wall thickness :	1,5 mm
Number of fixing holes:	6
Mounting kit	Yes

The urinal partition is made of a pipe with a diameter of 25 mm and made of AISI 304 stainless steel. The steel used in the production is highly resistant to rust, corrosion and most oxidizing acids.

This means that the urinal partition can be installed in rooms exposed to moisture. The offered partition is adapted to wall mounting. Its overall dimensions are 700 mm (height), 40 mm (width) and 350 mm (length). In addition, the partition has a matte finish.
