The R801 compact hotel dryer is a product that has been designed for wall / stationary installation. The R801 dryer has one airflow and temperature setting. In addition, this compact product is equipped with an automatic safety switch on / off. R801 dryers are designed for use with high and medium intensity of use. The small size of the EXECUTIVE 1200 model makes it suitable for even the smallest spaces.

Moreover, each EXECUTIVE 1200 dryer has double protection:

- Auto-reset switch-off thermostat to prevent overheating
- Security thermal cutoff in case of accidental overheating
