- PZH certificate, CE declaration

Connector	1/2"
Design	chrome plated brass
Tilt adjustment	NONE
Contains	Spout, mounting kit

Solid spray spout. Made of chrome-plated brass. It is distinguished by the possibility of using it for installation in surface or flush-mounted versions.

The spout makes it resistant to vandalism. The slim design definitely makes it difficult for the user to devastate the screed by hanging on it, which can result in the screed being pulled out of the wall.

Plastic strainer.
