

DESCRIPTION

Soap dispenser made of ABS plastic. Gold color. A special key is attached to the dispenser, thanks to which we gain access to the interior of the dispenser and thus receive the opportunity to top up the soap.

The dispenser does not require expensive soap cartridges.

We can supplement it with soap from a collective packaging (e.g. from a canister).

A large transparent sight glass located on the front of the dispenser informs us about the amount of soap remaining.

TECHNICAL DATA

Capacity	1L	Lock	Key
Housing	ABS Plastic	Dimensions	117 x 245 x 117 mm
Color	Gold	Window	Yes
Material	ABS	Mounting	Wall Mounting
Refilling	From multipack	Includes	Mounting kit included, key included
